Please join us for this quarterly gathering of the GME community. We’re pleased to welcome Dr. Patrick Croskerry, one of the world’s foremost experts in safety in emergency medicine and in diagnostic errors. In addition to his medical training, he holds a doctorate in Experimental Psychology and Fellowship in Clinical Psychology. He has worked in the area of Patient Safety for the last 15 years and has given over 400 talks on the topic at local, national and international levels. In 2006 he received the Ruedy award from the Association of Faculties of Medicine of Canada for innovation in medical education, and in the same year was appointed to the Board of the Canadian Patient Safety Institute.
