Orthopaedic Surgery Addendum

IV. CRITERIA AND STANDARDS FOR PROMOTION IN RANK

A. To Assistant Professor
Appointment to the rank of Assistant Professor clinical scholar track requires completion of clinical training to meet the requirements for the American Board of Orthopaedic Surgery. Appointment to this rank demonstrates a clear commitment of the individual to a career in Academic Orthopaedics. Individuals being proposed to the rank of Assistant Professor should provide evidence of a commitment to scholarship (including research) and teaching. Documentation of skill in teaching and research must be available in Curriculum Vitae and form letters of support from nationally known orthopaedic physicians scientists. Physicians must demonstrate excellence in the practice of their specialty.

C. To Professor
In addition to the items listed in the Medical School statement:

2. Research/Scholarship
